

Alta Drive @ 10th Street

News Release Date

03-11-2024

A message from the Public Works Director/City Engineer this morning pertaining to Alta Drive at 10th Street:

The contractor will start dewatering to make stormwater pipe replacement along 10th Street starting just west of Alta Drive up to the City yard gates on 10th Street. Alta Drive will be closed to traffic at Martha Drive with detour signs sending traffic along 10th Street to Center Avenue and Alta Drive traffic west on Martha Drive to Center Avenue. Thank you for your patience during this time as workers continue to work on the replacements.
