

Park & Facility Rentals

In general Holly Hill parks are open to the public without a fee to gain entry. However, the City of Holly Hill has many parks with shelters and athletic amenities to enjoy outdoor parties, barbecues, picnics and events. Park space is made available for activities which contribute to the recreational, social, educational, cultural and civic needs of the community.

Parks & Facilities are also available for reservation by "Special Use Permit" for special events that are anticipated to have over 99 people. In addition, the City offers the Sica Hall Community Center, and the Club House available for rentals.

For rates and availability, please call Utility Billing at (386) 248-9432.
