

Eye-on-Water Online Water Monitoring

Water Utility customers now have the ability to monitor their home or business water usage online, with hourly readings, past usage graphing, and other features. To start monitoring your usage, you will need your Holly Hill account number (00000-00000) which can be found on your utility bill.

If you do not have a utility bill please call 386-248-9432 or email customerservice [at] hollyhillfl.org.

Eye-On-Water Setup Instructions

1. Go to: <https://eyeonwater.com/signup>
2. Have a Utility Bill
2. Enter your service area zip code: 32117
3. Enter your Holly Hill account number, including dashes (00000-00000).
4. Enter your email address.
5. Create and confirm a password.
6. You will receive a confirmation email from BEACON. You must verify your email and address by clicking on the email link. Once you do, you can sign in using your email and password.

You can also download the Eye-On-Water app on your Android or iPhone by searching for “eye on water” in the app store. Follow the instructions to register on your phone. For customers who would like to monitor multiple accounts with one sign-in, you would be able to link several accounts on the home page of Eye on Water.

Monitoring enables customers to detect leaks from toilets, outside hose bibs, or appliance failures, as well as seasonal usage. Please note: Historical data started May 2019 for our customers.
