

Overview

Holly Hill Fire Rescue is a paid professional fire department comprised of a full time staff of thirteen personnel. Under the Fire Chief there are three Lieutenants, three Engineers and six Firefighters.

The department operates out of a single station located at 1020 Daytona Avenue. Fire apparatus includes a 2023 E-One Typhoon pumper.

Holly Hill Fire Rescue provides primary fire and emergency medical services to the City's 12,600 residents. Automatic and Mutual Aid are also provided to our neighboring agencies; all total more than 3,000 calls annually.

Our Mission Statement

It is the mission of the City of Holly Hill Fire Department to provide quality public safety, fire prevention, and public education to citizens, visitors, and commuters throughout our city. We will always strive to do this with the respect, courtesy, and compassion to those that we serve.

Emergency Medical Operations

Holly Hill Fire Rescue provides Advanced Life Support [ALS] [Non-transport] which is the highest level of pre-hospital emergency medical care. There are 7 paramedics on staff.

Public and In House Education and Training

Several programs are offered and are available to the public.

These include:

Proper use of fire extinguishers

Educational Programs for elementary and middle school students

Station tours

Smoke alarms (when available) are provided and installed free of charge to those that qualify.

Smoke alarm batteries (provided by homeowner) changed
