

Utility Payments

If your service has been disconnected due to non-payment or you are paying on your account due to a returned check, please call the Customer Service line at **386-248-9432** prior to making any payments online as there may be additional charges on your account.

Payments made on this website will be posted to your account on the next business day.

For your convenience, you now may pay your utility bill at your local [Amscot](#).
